"In addition, we believe that the circumstances related to the Company's failure to keep its records in an appropriate manner as reflected in this record, warrant the Commission's further consideration of proceedings such as complaint and order to show cause against the Company on the issue of inadequate recording keeping, including the possibility of the imposition of penalties and fines. Therefore, we direct Staff to prepare a complaint and order to show cause concerning the Company's failure to keep appropriate records for the Commission's future discussion, consideration and possible vote."
